This summer, the most important date on the pro-life calendar is July 4th. That's when we hope you join with thousands of others to speak up for the right to life.

**Unborn children's lives are under threat. Powerful pro-abortion campaigners in Ireland and in the European Union are attacking our pro-life laws.** That's why it's so important we show our opposition to abortion. On July 4th let's do that together, at the Rally for Life!
