

THIS IS AN I.F.P.A. CLINIC

The IFPA is a branch of the vicious anti-life movement called International Planned Parenthood Federation which promotes abortion, infanticide, incest and forced birth control.

In their short existence they have proven themselves to be racist, bigoted, anti-woman, anti-family and particularly anti-child. Planned Parenthood has a long record, worldwide, of exploiting women and destroying their health

But they won't tell you this. Why?

***Because they are
making money out
of you!!!***

Planned Parenthood was founded by a sick woman - a friend of Adolf Hitler's, a eugenicist and a racist, who hated the poor and the handicapped and sought to control those who she considered inferior.

Her name was Margaret Sanger and her work is carried out by Planned Parenthood worldwide today.

Planned Parenthood is RACIST!!!

Margaret Sanger, founder of Planned Parenthood, said in December 1939 "... The most successful educational approach to the Negro is through a religious appeal. We don't want the word to go out that we want to exterminate the Negro population."

Planned Parenthood promotes CHILD ABUSE!!!

Wardell B. Pomeroy of Planned Parenthood said in November 1976 "...incest between adults and younger children can also prove to be a satisfying and enriching experience. Incestuous relationships can and do work out well."

Planned Parenthood promotes HUMAN RIGHTS ABUSES!!!

PP supply money to the Chinese government to forcibly sterilise and abort women. A factory funded by the IPPF supplies IUD's which are forcibly fitted into young women (Sunday Telegraph 10/10/93). These programmes are supported ideologically and financially by IPPF, and have involved handcuffing pregnant mothers and forcibly ripping their children from their wombs.

Planned Parenthood is ANTI-WOMAN!!!

The Sunday Telegraph reported the deaths of Caroline Bacon (14 years old) and Nancy Berry (16 years old) from the usage of the contraceptive pill 'Fermodene'. Will the I.F.P.A. tell YOU about the live threatening effects of this drug. PP has always disregarded women's lives in their rush to make a sale.

They have willingly used third-world women as guinea pigs, for example, implanting Bangladeshi women with Norplant causing prolonged and heavy bleeding and death and using coercive methods to forcibly sterilize El Salvadorian women. (The Universe 6/4/84)

In Ireland the I.F.P.A. were the foremost promoters of I.U.D.'s claiming to be championing women's reproductive rights. Today they make no apology to those Irish women whose lives have been utterly destroyed by the effects of I.U.D.'s.

Planned Parenthood is ANTI-CHILD and promotes abortion!!!

The I.F.P.A. is now giving abortion referrals - sending Irish babies to be killed in England. They won't tell these mothers the truth either - that abortion is an act of violence that kills a baby and leaves a mother grieving.

**These people don't deserve your support.
Remember, your money finances their activities**
